Sen. Daly Signally Honored At Banquet And Reception

Several Arlington Residents Among Those At Reception To New Senator — Former Attorney-General Thomas Boynton Is Speaker — Mayor Frederick Mansfield of Boston Praises Senator Daly

Perhaps no more pleasing tribute could be paid living man than that which Tuesday was accorded Senator Charles T. Daly, native son of Medford and first Medford high school graduate to be elected to the upper branch of the State legislature.

Nearly 400 sat down to the festive board at Pitman academy Tuesday night, at the banquet and reception in his honor, including a large array of people prominent in national, State, county and municipal life. Every walk of life was represented.

Arlingtonians Present
Among the Arlington people present at the banquet were: selectman Leonard Collins, former Attorney-General Thomas J. Boynton, ex-representative P. Joseph McManus, Timothy Col-

lins, attorney; Richard H. Churchill, town meeting member; George Kelley captain of Boston College's 1922 football team and Joseph D. Callahan NEWS writer.

Beautiful Decorations
Beautiful decorations bedecked the spacious ballroom where the banquet was held, and shaded electric lights gave the soft glow which adds so much to the enjoyment of such an occasion.

National, State and city flags adorned the stage, where the orchestra, directed by Eugene Farnam, son of the chairman of the committee, Mrs. Elizabeth G. Farnam, played, while the festivities were under way.

Company E, Escort
Senator and Mrs. Daly were escorted by the officers and non-coms of Company E, 101st Engineers-Lawrence Light Guard, headed by Capt. George H. Lenox. The reception committee formed two lines, between which Senator and Mrs. Daly and the invited guests passed on their way to the head table.

Mrs. Farnam opened the proceedings with well chosen remarks, relative to the honored guest of the evening. Her speech

Two Families Escape Fire During Night

Two families were forced to flee from their home while the mercury hovered around the zero mark early last Saturday morning when fire broke out in the wo-family wooden dwelling at 21 Quincy st.

Fire which started in the cellar of the house had gradually made its way to the first floor when the occupants were awakened by the smoke. Mr. and Mrs. Herbert Waters and their two children, Marjorie, 10 and John, 4, who live on the first floor and Mrs. Douglas H. Curtice and daughter, Marjorie, 10, who live on the second floor were forced to gather some clothing in a hurry and leave the house. An attempt to call firemen by telephone proved fruitless as telephone wires were burned by the fire. Aroused by the excitement, neighbors discovered the fire and telephoned fire headquarters. An alarm was sounded from box 643, at the corner of Howard and Quincy sts, and several pieces of apparatus were sent to the scene. Firemen battled the blaze for an hour.

The house was damaged considerably by smoke and water while the front rooms were damaged by fire.

\$20,000 FOR RELIEF WORK TO BE ASKED AT SPECIAL MEETING

Two articles which will be voted upon to make possible more work for Arlington's unemployed are included in the warrant for the special town meeting to be held in Robbins town hall, Monday evening, February 4 at 8 o'clock.

One is for an appropriation of \$15,000 to buy equipment and materials with which to continue several ERA projects on which about 700 men and women are at present employed. The state ERA board has allotted \$36,000 to Arlington for the month of January alone as pay for ERA labor. Unless the town pays for materials necessary to carry on the projects, this money must be turned back to the Federal government.

The second article is for an appropriation of \$5,000 to be spent by the Arlington Unemployment committee under the direction of the Selectmen. The money will be used for town work done by needy residents who cannot get on the ERA payrolls. This group comprises people who need town work and financial assistance but who cannot get ERA jobs because one member of the family may be working. In some cases, this is so but the one employed is receiving such a small salary that it is insufficient to support the family. About 80 are now employed by the Arlington Unemployment committee and getting a salary from the town.

Both agencies are in charge of Neil S. Peters. Men employed by the ERA and the Unemployment committee are doing work which will prove worthwhile, Mr. Peters pointed out this week. Among some of the projects under way now are the grading of the Russell school playgrounds on Mystic st., a job requiring drain work; the draining of the Mill brook; a dental clinic conducted at the old town hall where the unemployed might get dental care which they could not otherwise afford to have done.

The need of money sought at the coming special town meeting is emphasized by the fact that unemployment in Arlington is increasing. An average of fifteen daily applications is reported at the local ERA office. Last Monday alone, close to fifty applications for ERA work were received. Because of the necessity of helping those in desperate need, it is expected that the town meeting members will approve the appropriations sought.

STATE OPENS CASE AGAINST ROGER BAKER

Lottery Raid Made By Police

Armed with a search warrant, a squad of seven Arlington police officers led by Sergeant Thomas Meagher staged a surprise raid on the store operated by Hymen Kreem, at 189 Massachusetts ave., East Arlington last Friday afternoon.

The district was thrown in a turmoil as the officers made their surprise visit. According to the police, a number of lottery tickets was found in Kreem's variety store. They arrested him and charged him with setting up and promoting a lottery. He is also charged with having lottery tickets in his possession. According to the police, Kreem was promoting betting on horse races. He was arraigned in the East Cambridge district court last Saturday morning and the case was continued until February 1. Kreem furnished bail of \$500.

Officers James Burns, James Ryan, White, Colbert, Flynn and Sullivan were in the raiding party.

Democratic Town Committee To Meet

Members of the Democratic Town committee, who were elected last April, will organize at a meeting to be held in the hearing room of Robbins town hall next Tuesday evening, at 8 o'clock, according to an announcement made by Luke A. Manning, chairman of the committee. Twenty-eight members were elected. According to procedure, the committee is to organize the first of the year following their election.

Kraff's Market Observes First Year of Growth

Kraff's Corner Market, at 93 Lowell st., Arlington Heights today starts its first anniversary. The event promises to rival all other sales ever held at this fast-growing meat and grocery store.

From a small beginning, Kraff's Market has grown steadily until today in addition to Mr. Kraff, four other clerks are employed to take care of the ever-increasing business. Through persistent effort, Mr. Kraff has built a thriving business and because of continued support and increasing number of customers, Mr. Kraff feels that his efforts to give quality foods and courteous service have been appreciated.

To celebrate the first anniversary, Mr. Kraff has spared no effort in attaining fine quality merchandise at special prices in this sale. By offering these special values, Kraff's Market expects to further increase the number of people doing business there.

Kraff's Market has been a consistent advertiser in the NEWS and attributes its success to NEWS advertising to a very large extent. The NEWS congratulates Kraff's Market on the closing of its first year of profitable business and fine service to the public. Kraff's Market can justly be proud of its first year in business. Its anniversary sale, featuring unusual savings on food-stuffs is worthy of special attention.

One Thousand Men Shovelling Snow Today — Enlisted From ERA To Cope With Emergency — Massachusetts Avenue Well Cleared — New Record For Single Snowfall — Side-Streets Being Cleared By Shovellers

With close to 1000 men shovelling snow throughout the town today, Arlington is fighting a hard battle to free itself from the avalanche of snow resulting from the record-breaking blizzard. Another storm is predicted and every effort is being made to clear away as much of the snow as possible to prevent a complete tie-up all around.

Arlington woke up yesterday to find itself in the grip of the worst storm this winter. Cars left outside Wednesday night were buried in snow. Autoists did not dare take out their cars from garages and those who did, in many cases, had to abandon their autos before reaching their destination. Elevated buses were held up when cars became marooned in the snow. Many people were unable to get to work. Hours in stores and offices were shortened to give employees more time to get home. Those who did remain at home swung shovels a good part of the day to clear their walks and driveways. Public thoroughfares are fairly well cleared in Arlington.

ERA Men Shovel Snow
With the authority of the State

ERA board, men employed on outdoor ERA projects were allowed to go to work shovelling snow on several streets, thereby giving the public works department several hundred extra men yesterday.

While the blizzard was still at its height, Wednesday night and early yesterday morning, trucks were kept on the road plowing the streets so that yesterday forenoon, Massachusetts ave and several other streets were very well cleared for auto traffic. As a result of the plowing however, banks of snow as much as six feet high were left on both sides of the streets. The town's two huge snow loaders kept several large trucks busy hauling away snow yesterday and today. One snow-loader was first put to work clearing the avenue in front of Robbins Town Hall and the other was assigned to the East End.

Police Give Shelter
Two score commuters living in Concord, Lexington and other towns were given shelter at the Arlington police station last Wednesday night when they found it

THE UNBALANCED BUDGET

"How many of us realize that President Roosevelt himself has given us a yardstick by which we may measure and determine beyond equivocation the efficiency, the sincerity, and the social rightness of his Administration from now until that day when the last trace of the depression shall have disappeared?" the Business Week magazine asks.

Speaking editorially, this important business guide says: "The formula is so simple that we need not together but a few scattered phrases in his message to Congress and his budget proposals to make it serviceable to the most casual observer of political events."

Mr. Roosevelt can find but one reason for his inability to balance the budget in 1936 and that is the failure of private business to provide work for the unemployed as quickly as he expected a year ago it would be able to do.

Accepting Mr. Roosevelt's appraisal of the needs of the hour we would seem justified in putting every piece of legislation enacted or proposed and every administrative order having the force of law to this simple test: Will it stimulate a revival of business enterprise and help to restore business confidence? If it does it is good. If it does not it is bad.

There is concentrated in the hands of the President today a power far beyond that ever before held by the administrative department of the American government. An overwhelming Democratic majority in both branches of Congress constitutes a docile and obedient legislature. If the stagnation of American business is the only reason for an unbalanced budget and a huge deficit and if the revival of private business is the only solution of our problem of recovery, then it is the clear obligation of the Administration to put its full force and effectiveness into the job of bringing about that revival.

HELP THE GIRL SCOUTS

This coming week for the Arlington Girl Scout Council is making its annual appeal for funds. Their budget is \$1500.00; a most conservative sum when one considers that this amount serves more than 450 active Scouts in this town. It is possible to operate within this amount, only through the most rigid economy, and because the voluntary service of interested women, necessitates only one salaried worker, the Local Director. Even the local Drum and Bugle Corps always so enthusiastically received here has become practically self supporting.

During the fifteen years since its organization here, Scouting has gone steadily forward until this past year our Local Council was awarded first place in the state, on their achievement record. Many girls have been trained in the wise and profitable use of their leisure time, to the enrichment of their own life and that of the community in general. As a character building organization of proven worth, the Girl Scouts of Arlington merit your generous support.

THE NEWS OBSERVES

Senator Charles T. Daly has filed a bill to provide a bathing beach on the Mystic River basin between the Wier bridge and High st. West Medford.

Did you know that Massachusetts residents paid out approximately \$20,000,000 for compulsory automobile insurance last year? Gasoline purchased in this state amounted to a mere \$90,000,000. Did someone in the back row mention depression?

Shoplifters are again busy. Three boys were arrested last Wednesday afternoon for shoplifting in Grant's store on Broadway. Two of the lads came from North Cambridge while the third was from Somerville. They must think that Arlington is easy pickin'.

The fight for Selectmen in the March election should prove a puzzle. Leonard Collins, chairman of the board, and Harold Estabrook, Citizens' candidate are the leading contenders. Both were in the same class in High school; they're on the friendly terms; and it's a good bet that both will still be on most friendly terms after election.

Warren st. which was built at a cost of \$11,000 only two years ago is closed for repairs. How come?

We understand that the entire state allowance for the rebuilding of a stretch of Summer st. has been expended, so if you still wonder whether that checker board finish will be torn up, stop wondering. The job is completed — so we're told.

New 1935 models of practically every make of automobile are now on display in Arlington. If you intend to buy a new car we suggest that you look over the list of Arlington dealers. They know you, they'll treat you right.

"Imitation of Life" At Capitol Theatre

Seldom, if ever, has there been such a combination of elements which mean good entertainment as there are in "Imitation of Life" now at the Capitol theatre.

Fanny Hurst's great novel, will interest millions of women. "Back Street" proved that Fanny Hurst understands thoroughly what women like to see in a moving picture. John Stahl in that picture proved that he knew how to transmute the screen every last ounce of interest which lay in a Fanny Hurst story. There is no director in the world who has this faculty in the same degree that John Stahl possesses it. And he directed "Imitation of Life," also.

Girl Scouts Plan Busy Spring Season

The January Leaders' meeting of the Girl Scouts was held at the home of Capt. Frances Donahue, Monday evening. Following supper, Rev. Clifford Simpson of the Park Ave. Congregational church, gave a very interesting and instructive talk on "Movies and Our Children". Mrs. Poole and Mrs. Kidder were present. Mrs. Kidder spoke about finances and told of the drive to be made for needed funds. Mrs. Poole outlined an interesting program for the remainder of the Scout year. The 17th of February, Sunday, 3 p. m. there will be a Scouts' service at the Town hall. This is always an inspiring service to which the public is welcome. A committee has been formed to plan a suitable program. In March the Mother and Daughter banquet will be held. In April a play presented by the Friends of the Drama will be given for the benefit of the Scouts. In May will occur the annual White Elephant sale, and the final public rally which closes the season.

February is International month. As a troop project, an exhibit of dolls dressed in the scout costume of the countries where Girl Scouting exists, is to be prepared. A country will be assigned to each troop. This may be kept as a permanent exhibit.

Winter day camping will be held Saturday, January 26 at Cedar Hill with Capt. Rogers of Troop 9 in charge. The Newton Girl Scouts are to be hostesses. They are planning stunts and races on the ice. Bring skates.

Snow-Storm

Continued from page one

utterly impossible to reach their homes. Every bed and available table in the station was occupied.

Sixteen inch fall

Officially about 16 inches of snow fell, and the latter part of the storm it was piling up at the rate of over an inch an hour. As a contrast, in Littleton, N. H., but two inches of snow came down.

Starting at 12:32 Wednesday afternoon with light flakes, the sky quickly darkened and the snow fell more thickly as the afternoon wore on. There was some delay in traffic early in the evening because many cars were out through the day without chains, and easily up others. By 7 p. m. Wednesday the gale had risen to 45 miles an hour and the snow was whirling in from the northeast as thick as smoke from a forest fire.

The flakes stung the face like blown sand on a gale-swept beach, and piled up around corners of buildings and under fences with startling speed.

Roofs were heavily laden where they were not swept clean. Front porches drifted in till householders opening doors to get the tardy morning paper let in an avalanche of snow upon the hall rug.

Milkmen had a tough time everywhere. Dogs plunged desperately through drifts as they avoided automobiles, and cats out for the morning airing became mired in the deep heaps of snow which was fluffy and treacherous for walking.

There was no accident reported, and little but routine work for the police.

The fire department had no calls. All apparatus was fitted with chains and ready to move on a call. Horses and puns were not equipped with hose and chemical tanks as the fire officials feel that their apparatus can negotiate the conditions brought about by the blizzard without trouble more than ordinary.

Deep Drifts

Householders and others were busy throughout the city with shovels and snow scoops as morning broke, cutting paths through deep drifts to the main streets. Grocer and meat stores put on extra delivery boys in an effort to get supplies which had been telephoned for, to the homes of customers.

In North Station, Boston, 1500 people were marooned all night and until long after 6 yesterday. There was not a train moving as the engines could not be taken in over the clogged switches which an army struggled to free of the fast falling snow. Two thousand people were caught in Park at subway station, awaiting trolley cars which never came.

Taxicabs had enough to do but were greatly delayed in answering telephone calls, and the drivers had to use the utmost care in coming to a halt to pick up their customers.

In many cases heavier machines, or trucks, as well as wrecking cars from garages, helped pull them free.

STONEHAM POLICE RADIO

The Stoneham police department is giving police radio a trial with the Arlington radio station servicing it. If satisfactory, Stoneham will pay \$300 a year for the privilege of using the service from Arlington. Police cars in other neighboring towns are already equipped with radio and receive messages regularly through Arlington's station WPED.

RE-EMPLOYMENT SERVICE
WORK IS EXPLAINED

Because of existing confusion regarding the functions of the National Reemployment Service, which maintains an agency in the Old Town hall building, the following statement was issued by the Department this week:

The National Reemployment Service has maintained an office in the Old Town Hall, Arlington, since the past year. This office has no connection with the work of the Emergency Relief Administration which also has headquarters in the same building. The Arlington Reemployment Office serves the district comprising the towns of Arlington, Belmont, Burlington, Lexington, North Reading, Winchester, and Woburn.

The National Reemployment Service has been set up to function in a manner very similar to the private employment agency, except for the fact that no fees of any kind are involved. The duties of the office are to register the unemployed, both men and women, classify the registrations on the basis of the type of work to which the individual is best fitted, and to refer these individuals to whatever openings may be available on the basis of fitness or the particular opening. The purpose of the National Reemployment Service is to serve as an employment center for the work created by the Public Works program. On this work the Reemployment Office has only the powers described above; i. e. to refer qualified men to the contractors who have the final authority to hire or reject the men referred.

As you are probably aware, the major PWA construction project in this vicinity is the new highway to Concord which is not yet completed. Of this work four contractors, representing the stretch of road from Cambridge to the Concord line, were handled from this office after Feb. 1, 1934. In this connection it might be interesting to you to know that from Feb. 1, 1934 to Dec. 31, 1934, 3,585 men were referred to these contractors from this office. Of these 2,283 were employed for some length of time. These figures, of course, represent residents of Middlesex County.

The National Reemployment Service is well equipped to refer capable men or women to any private individual or firm seeking new employees. If a qualified individual is not available locally, the Reemployment Office has at its disposal the resources of a nation wide system of employment offices.

It is in the field of private employment that we would like to obtain the help and cooperation of Arlington residents. There are other organizations in Arlington, such as the Emergency Relief Administration, which are designed to care for those in real need, but there is no other organization equipped to serve the whole group of the unemployed in Arlington on the basis of qualification alone. May we appeal to the business men as well as the residents of Arlington who will have occasion to seek the services of a man or woman to remember that this office is prepared to furnish individuals skillful in every conceivable trade.

BOSTON THEATRE

The new show starting tomorrow at the RKO Boston Theatre brings stunning Binnie Barnes, star of "Private Lives of Henry VIII," in the picture, "One Exciting Adventure" with a Continental background, while on the stage a new bill of vaudeville headed by Penny Weeks and his RKO Bostonians is offered. The picture will be previewed tonight at 10.00 p. m.

"One Exciting Adventure" is the story of a diamond thief in Europe, who is followed over half the world by a man she refuses to meet but who pays her bills wherever she goes. The heart of men would not interest her until she meets one man who tells her she is silly and stupid. Then she begins following him and the whole story of mad, gay and ruthless love in turn are followed by two of the world's worst detectives. Binnie Barnes is supported by a brilliant cast headed by Neil Hamilton, Paul Cavanaugh, with Eugene Pallette and Grant Mitchell in the bungling detectives.

The RKO vaudeville stars include Irene Vermon and her marvelous dance presentation, Tedley and Dupree, Paul Kirkland, Grace Doro, the Four Flash Devils and others.

Peterson's Lunch
Re-opens Following
Extensive Changes

After being closed for two weeks during which extensive renovations were made, Peterson's Luncheonette, at 21 Summer st., near Mystic, was re-opened to the public last Saturday evening and is again prepared for increased business.

The alterations have materially added to the attractiveness of the popular rendezvous. Four new booths have been installed and unique display cases have been set up for the display of home-made pastries. Each booth has its individual Silex coffee service. Courteous waitresses are attired in smart new yellow uniforms, with blue and white collars and cuffs.

The luncheonette specializes in fried clams, noon-day specials every day and tasty toasted sandwiches at all times.

HAIRDRESSER'S SHOW

Several Arlington hairdressers are planning to attend the 15th annual style show and trade exhibit of the Ladies' Hairdressers' Association of New England at the Statler Hotel next Monday, Tuesday and Wednesday. The show is the largest of its kind in the East.

Fulton Debaters Here
The Fulton Debating Society of Boston College, under the direction of Rev. Leo J. O'Keefe, S.J., moderator of the society, met here at the Fortnightly club of Arlington last night. The Fulton society was represented by three of its members, who gave individual lectures on the evils and spread of Communism and Communist propaganda in this country.

Henry G. Beauregard, '36, spoke on "Communist Methods." John J. Foley, '36, discussed the "Goal of Communism," and Edward Fitzmaurice, '36, spoke on the topic of "Communist Activities in America." Many members and friends of the society were present as well as Arlington folks.

Robert Wayne
Friends of Robert Wayne and family were shocked to hear of the death of one of Arlington's business men, Robert Wayne. Mr. Wayne was a real estate broker here in town having his office at Massachusetts ave. and Prentiss rd., was a lumber business man at San Antonio, Tex., Porto Rico and Jamaica. He passed away at the Symmes hospital Monday after an illness of two months.

Menotomy Club and Jim Coffee
At the weekly meeting of the Menotomy Club the annual dues of this organization was discussed. It was decided that the gala affair will take place on Feb. 22nd at Robb's Memorial Town Hall. James Coffee, officer of the club, who recently started in the Laura Hallisey presentation dancing debutantes, is on the card to run for town meeting member, with the club supporting him.

Local Boys Star at School
Bill Bullock, ex-Arlington High athlete, is playing freshman hockey at Mass. State College. Bill has done fine this season and will be in the varsity lineup next year. Danny Callahan also ex-Red and Gray star is starring at Northeastern University, with the varsity. Northeastern defeated Mass. State, 6-2.

Seventy-seven men took examinations for fireman here this past week. Seventy-six of them passed the mental test. Next week the physical examination will be taken.

Davidson New Head
Of Finance Committee

Arthur C. Davidson, representing Precinct 1 on the Finance committee, was elected new chairman of the latter board at a meeting held in Robbins town hall last Friday evening.

Mr. Davidson, who was formerly vice-chairman of the committee, succeeds Harold M. Estabrook, former chairman, who resigned to run for the office of selectman. Joseph C. Ohlund, representing Precinct 13, succeeds Mr. Davidson as vice-chairman. Mr. Estabrook's resignation was received with regret and he was highly praised for his conscientious service on the committee.

NEW SCOLLAY THEATRE

In "The County Chairman," which opens at the New Scollay theatre tomorrow, Will Rogers enacts a role for which he is perhaps best fitted. In real life he is one of the best-informed and keenest students of politics in the country, but this is the first opportunity Will has had to transfer such a character as a county chairman to the screen. "The County Chairman," tells a mirthful dramatic story of a small town's political life in a day when American village life was far more colorful and isolated than today.

In the cast, the star has the support of Louise Dresser, Evelyn Venable and Kent Taylor. Burton Churchill, Mickey Rooney and Stephan Fetchit. Seven acts of vaudeville, direct from Broadway, complete the program.

PARAMOUNT & FENWAY

A team of well known youthful players Gloria Stuart and Ross Alexander in a romance entitled "Maybe It's Love" opens at the Paramount and Fenway theatres today. This play combines the love and excitement of a "First Year." The story is human and sincerely portrayed by a well balanced cast including: Frank McHugh, Helen Lowell, Joseph Cawthorne, Ruth Donnelly, and Dorothy Dare.

Something new in mystery pictures will be presented with "Maybe It's Love," in the nature of the Warner Bros. Production "Murder in The Clouds," starring Ann Dvorak, Lyle Talbot and Gordon Westcott. Others in the cast include: Robert Light, George Cooper, Charles Wilson, Henry O'Neill, Russell Hicks and Edward McWade.

In addition both theatres present News Events, Comedies and selected short subjects.

Plans are being completed for a glorified screen show for the Paramount Anniversary commencing Feb. 21st, and continuing one week.

Donald Flaherty escaped with serious injuries last Saturday afternoon when he was struck by an auto operated by Miss Evelyn Jantz, of 4 Martin st. The accident happened on Pine st. The boy is 3 years old.

Local Stars
Sparkle In Gay
Musical Show

By JOSEPH D. CALLAHAN

"Dancing Debutante," recent musical comedy presented by Laura Hallisey's dance studios will be repeated in Lexington under the sponsorship of the Veterans of Foreign Wars. Plans are also being made to present the show in Cambridge.

A show within a show. The three act musical comedy "Dancing Debutante" coached, and produced with a large cast of local people, by Miss Laura A. Hallisey at the Junior High East recently was the action.

The action took the audience backstage and showed them the way a show is worked up. The whole thing was portrayed very realistically—on the stage to look like commands of a hard boiled producer—and the actors were augmented by a fine chorus who went through their routine numbers like old troopers.

The plot itself reminded one of an old time movie with the social climbing mother of a vivacious young heiress attempting to marry her daughter to the Count Alphonse Lanchester. The daughter however was not interested in the Count or the title of Countess. In fact she made it clear that she looked upon the Count as a dodo compared with the dashing young vocalist who had sung his way into her heart. Furthermore she was interested in acting and she finally had her way even to the extent of having her opulent father advance five grand so that the show could go on. Of course the young vocalist won her hand and the whole performance wound up with the well known strains of Lohengrin's Wedding March.

A feature of the show was the personal appearance of the Alton Four, a quartet of singers who have been heard over the radio on many occasions. The four comprise, Eddie and Vincent Harkins, Hugh Graham and Hy Arbetter. They brought the house down with their burlesque of "A Thousand Times No." Then they rendered the popular song "Object of My Affection" with great success. Eleanor Rayer, blues singer, was well received in her specialty "O. K. Toots." Helen and Ruth Donahue did a skeleton dance with 12 boys singing and dancing in a "Hobo Number."

James Coffey, the leading man, played his role like a veteran and rendered "June in January" and "Let's Call It All a Dream" in a way that evoked the appreciation of the audience. Virginia Hermonson as the helpless played opposite Coffey with grace and ease. Bob Mills and Ruth Kelly as the father and mother of the heiress deserve commendation for their efforts. Miles Joyce, as the producer, left little to be desired in the way he handled the part. Edward Oberle made a very good "Count." Margaret Sullivan, Orrin Dunn, Gertrude Clifford, and Harold Burbridge carried out the minor parts very smoothly.

Other spectacular numbers in the show were the barnyard skit in which several young ladies gave a complete narration and demonstration of the art of milking, the football routine "Ten Yards to Go," The Mansion in Manhattan, and the brilliant Military March.

Those in the chorus were: Gertrude Burdau, Edward Quinn, Margaret Quigley, Robert Wayne, Margaret Bradley, Orrin Dunn, Dorothy Dorfingler, Ernest Perkins, Muriel Burness, Edward Oberle, Louise Daley, Phil Bruno, Richard Churchill, Rheta Daley, George Stone, Helen Donahue, Grace Lynch, Francis Kenny, Mary Lynch, Paul Kenney, Corine Lloyd, Benny Rods, Clarence Grimshaw, Rita Fenno, Norma Ormsley, Jean Leavitt, Eleanor Rayer, Mary Rayer, Mary Casalou, William Burdau, Emelyn Grimshaw, George Stone and Joseph Callahan.

After the performance those in the cast presented Miss Hallisey and her mother, Mrs. John Hallisey with large bouquets of flowers. The presentation was made by Bob Mills who told the audience how hard Miss Hallisey had worked to present a first class show. Mrs. Hallisey also came in for her share of praise for her efforts.

Two hours of dancing to Duke Troy's orchestra followed the performance.

KEITH MEMORIAL

The American premiere of George Arliss' latest picture, "The Iron Duke," will be given at the Keith Memorial theatre starting today at 10 p. m. The regular engagement begins tomorrow.

Arliss is seen as Wellington, the Iron Duke, who out-manuevered Napoleon on the battlefields of France. He is at his greatest as he crosses swords with the Duchess of Angouleme, the jealous, power-mad woman, who plots his destruction. The Battle of Waterloo is depicted. Supporting Arliss is a large cast of eminent players, among whom are: Elaine Terriss, Gladys Cooper, A. E. Matthews, Allan Ayneworth, Lesley Wareing and many others.

LOCAL PEOPLE IN FLORIDA

Among the new arrivals from Arlington in St. Petersburg, Florida, are Mrs. Reginald Bain, Mary st; Mr. and Mrs. Henry R. Behnke, Wyman ter; Charles L. Budeen, Harlow ter; Mrs. Lucy H. Deering, Lombard ter; Mrs. Theodore V. Enslin, Orris rd; Mr. and Mrs. Henry Hudson, Pleasant st; M. O. Jackson, Johnson rd; E. Perry Johnson, West st; Mr. and Mrs. George H. Weatherill and Miss Edith H. Weatherill, Norfolk rd; Mr. and Mrs. Raymond A. Williams, Wyman ter, and Mr. and Mrs. Edward J. Robertson, Park ave.

Calvary Society
Installs Officers

On Thursday afternoon at Calvary M. E. Church the officers for the coming year were installed for the Ladies' Aid. Mrs. F. H. Robinson thanked the officers who were retiring and presented each one with a corsage bouquet of roses.

The newly elected officers were installed by Rev. Henry Budd Jr. in a very impressive manner with Mrs. Frank Drew acting as marshal.

The officers for 1935 are President, Mrs. R. A. Bradford; Vice President, Mrs. Sadie Gamester; Rec. Sec. Mrs. R. F. Walkinshaw; Corr. Sec. Mrs. E. E. Munson; Fin. Sec. Mrs. Willis Munro; Treas. Mrs. N. N. Hartwell.

The afternoon closed with a social hour and refreshments served by the executive board from a prettily decorated table.

Able Cast To Act
In Play, "Disraeli"

"Disraeli," the great historical play which made George Arliss famous, is to be presented for the first time in this vicinity by the Park Players. The play has been cast with players of wide experience and considerable ability, and is under the direction of William O. Partridge, one of the most popular and experienced directors in this vicinity.

The central role of Benjamin Disraeli, the favorite prime minister of Queen Victoria, is in the hands of Emory Battle whose work in the role thus far gives promise of a splendid performance. Mr. Battle has had considerable experience, both in professional and amateur dramatics, having spent two seasons in summer stock companies and played well over 40 roles during the past four years. He was recently acclaimed by the dramatic critic of the NEWS as having been the best local amateur actor of 1934 by his performance in the Park Players' production of "Spooks." His performance of Grumpy in the play of that name, and of Shylock in "The Merchant of Venice" have also gained him many enthusiastic admirers.

Muriel Giles will play Mrs. Disraeli and although she is a more recently acquired member she has already proven her dramatic ability. Russell Curry and Lorraine Miller, who did so splendidly in "The Merchant of Venice" last year, will appear in the leading juvenile roles.

Contrary to their usual custom, the Park Players will bring this production to the Robbins Memorial Town Hall as it has the only stage in Arlington large enough to hold a production of this magnitude. The performance will be on Friday evening, February 15, under the sponsorship of the Arlington Heights Study Club. The proceeds will go to the Victoria C. Dallen Heights Library fund.

Looking
Inside

Besides the Middlesex County Court at East Cambridge there are several District Courts located in various Cities and Towns in the County. Each has to be manned, maintained and supplied. Take the District Court of Lowell. It cost \$42,994.91 to run the court, and \$3,256.29 more for repairs and furnishing.

The larger amount included the salary of the Justice \$4,497 and three special Justices at over \$1000 each; a Clerk at \$3,640 and other clerks at from \$1200 to \$2700 each; three Probation Officers \$1800 to \$2800; two Court Officers \$1600 to \$1800; and several others besides. The rest of the money went to Janitors, fuel, supplies, light and telephone.

P.S. The Police Radio is a great thing! My kid started to see how the skating was at Hill's Pond and was to come right back. An hour later she had not returned so I went up to see where she was—no sign of her there or in the Park. Three-quarters of an hour later telephoned the police the story and description and fifteen minutes later up she came right to the door just like a lady sitting smilingly in the back seat of a car with a blue-coated chauffeur and footman in front. The wife says, "Thanks."

P.S.S. Do you remember the hill or hump that existed near the railroad tracks at the Heights Playground? Well the Park Commissioners wanted it removed and the dirt leveled over our dump. Nearby so they asked the E.R.A. to do this work. Mr. Keane our Town Engineer was asked to estimate the yardage in the hump and submit the project as an E.R.A. work project. He says there were 7800 cubic yards of dirt in that hump and inasmuch as the contractor bid 27 cents a cubic yard to dig up the dirt on Park ave and carry it anywhere within about a mile that he would estimate the cost of hand work on that hump at about three times that cost or 7800 cubic yards for \$7795.20 plus \$1000 for trucking.

The allotment was approved and the work started in June. In July the hump was still there and another allotment was approved July 30 for \$15,924 and the work progressed. In September the hump was still there and a third allotment was approved Oct. 2 for \$9420 plus \$600 for trucking and in December was more or less complete. The local E.R.A. office show \$30,841.06 spent not including trucking. That amounts to \$3.82 a cubic yard to do what the Town paid 27 cents for. Man vs. machine. Well a lot of useful work was created.

P.S.S.S. Seven weeks to election and things haven't got very brisk yet. The Citizens' Committee has picked out a list of candidates of which more anon. Let's hope the other side put up some good men. We Arlingtonians like a good scrap. It gets out the voters.

CAKE WINS \$3 PRIZE
IN NEWS AD CONTEST

"That Takes the Cake"—this popular expression is reversed today as a cake takes the dough (\$3.00) as a first prize in the last of the series of Scrambled Ads which have appeared in the NEWS. This piece of work bearing the correct solution to last Friday's scramble was brought to our office by Bertha L. Hughes of 28 Edmund rd. In the opinion of the judges it is the most unique answer received in the five weeks of the contest series. Two cakes make up the body of a miniature auto; marshmallows represent headlights and doughnuts, the tires. There's even a spare tire. Pretzel sticks were used on other parts of the auto. The car bears a small placard, labelled "Arlington Motor Service," the correct answer. The auto, along with other unique solutions are on display in the window of our office 193 Mass. Ave. Other prize winners are:

Second prize—\$1.00—Mary E. McNamee, 25 Mill st.
Third prize—\$1.00 — Alice Hatch, 20 Draper ave.

Because of the interest shown, a similar contest may be sponsored by the NEWS later.

Junior Centre PTA
To Meet January 30

The second meeting of the Junior High School Centre Parent-Teacher Association will be held Wednesday evening, January 30. Teachers will be in their rooms from 7 to 8 o'clock to meet parents and discuss individual problems. At 8:10 there will be a meeting in the Assembly Hall.

The program will consist of an informal discussion of Curriculum by faculty members and parents. This has been planned to help you decide such problems as whether your child should select Latin, French, or Science. The subjects of Senior High courses will be presented as well as that of College Entrance Requirements.

Monday evening the Ida F. Butler Retekah Lodge met at Odell Fellows hall for their regular meeting. Games were played including a tournament of indoor baseball.

Home Loan Money
For Dry Cleaning

Home Loan money may be used to pay for the dry cleaning of your rugs, draperies and curtains, upholstered furniture, tapestries, etc., according to Lawrence P. Bliss, manager of the Bayburn Cleaners at 1 Broadway. It is recognized by government authorities that it is thrifty to "preserve, renovate and modernize" home furnishings and official sanction for such use of federal loans has been made.

Whether or not you secure your spending money from the federal Home Loan funds, Mr. Bliss declares that it is a good investment to "modernize and renovate" your home, letting a local concern do your dry cleaning work.

Yo Lantern was the scene of a jolly group of dancers last Monday evening when Grace D. Curry held her adult dancing class. Keen interest was shown so those attending would no longer be "back numbers." Howard Cutler's orchestra furnished the music. Those present are looking forward to the next meeting in two weeks.

"THEY'VE MADE IT

TO DRIVE!"

THAT'S WHAT THOUSANDS
ARE SAYING WHO HAVE TRIED
THIS MAGICALLY EASY WAY

The ELECTRIC HAND on NEW 1935 HUDSONS
and TERRAPLANES

GREATEST convenience for women drivers since the self-starter! That's what they're saying about the Electric Hand—the new, easier method of gear control on 1935 Hudson-built cars.

This exclusive feature takes all the work out of gear shifting. Makes driving safer. Clears the front compartment, too. No levers to trip you, no scuff shoes or smear grease on clothing.

The Electric Hand is standard on Hudson Custom Eights and optional, for a small amount extra, on all other 1935 Hudsons and Terraplanes. It's not an automatic shift. You shift gears as you always have, yet never take your hands from the wheel.

There's new styling in these 1935 Hudsons and Terraplanes. Longer, lower bodies, gracefully narrowed radiators, smarter lamps, louvres and trim.

There's new ruggedness and safety, too—in the first steel roof. Steel all around you—steel under your feet—steel overhead. And Bendix Rotary-Equalized Brakes—five years of brake advancement in a single year. Quicker, smoother stopping, in a short, straight line.

More power—flashing acceleration—bigger gas mileage—doubled oil economy... But we can't tell you the whole story. Come and see—drive—and compare these new cars with the others.

LOOK FOR THESE 1935 FEATURES

New styling—another year ahead. New Bendix Rotary-Equalized Brakes. The first steel roof, on a body all of steel. More power from less gasoline. Full 3-passenger seats—front and rear. Longer, gentler springs—improved oil-cushioned shock absorbers.

Members of Fortnightly Club In Play

The Arlington Fortnightly club met at the Library hall recently. During the business meeting a letter from Mrs. Earl Smith, State Chairman of the Handicapped was read, commending the club for the recent donation and giving a full recital of the worthy ways in which the donation was expended.
The program of the evening was prepared by the Dramatic committee. Mrs. W. K. Macnamara, chairman. Attractive programs and individual favors of old-fashioned bouquets made of palatable candies were distributed before a one-act play, "The Truth Party," was personally presented by the following members: Mrs. W. K. Macnamara, Mrs. Daniel P. Barry, Mrs. Arthur Dillon, Mrs. W. O. Hauser, Mrs. Catherine M. Keane, Mrs. Luke Manning, Mrs. Frank O. Martel, Mrs. John McCarthy, Mrs. Albert E. Ryan, Mrs. Warren Ryan, Mrs. William A. Rae, Mrs. James P. Sweeney and Mrs. James O. Thomas.

The rare costumes provoked much mirth and added much to the effectiveness of the sketch. The costumes were particularly suitable for a woman's club. Mrs. Macnamara presented "Aunt Katie" (Mrs. John McCarthy) a wholly delightful character of the play with a beautiful bouquet and graciously remembered the president, Mrs. Mary F. McCarthy, as one who takes part in all club activities.

Youthful dancers who participated in the program were Lilla and Arthur Brodie in the "Dance of the Nations," Helen and Betty Price in "The Old Dutch Mill" and the Bronzo Trio. Members of the Dramatic Committee who did not take part in the play, but who did much to make the evening a marked success were Mrs. P. J. Clifford, Mrs. P. Joseph Mooney, Mrs. Joseph Smith and Mrs. Daniel P. Wade.

The next meeting will be held on Jan. 24th at the Library Hall. A lecture-debate by the Fulton Debating Society of Boston College on "Communism" is to be presented by the Education Committee of which Mrs. Thomas Palmer is chairman. Guest tickets may be procured from members. The debate starts promptly at eight-thirty o'clock.

Much-Discussed Sr. High Auditorium Will Be Finished

Provided that the town meeting members approve at the annual town meeting in March, the interior of the new auditorium in the senior high school will be finished this year. The work will be done under the ERA and Federal aid.

Meeting with the board of selectmen last Monday evening, the Building and Playgrounds board, of the School Committee comprising M. Norcross Stratton, Clement J. Beaudet, Harrie H. Dadmun, Superintendent of Schools Dempsey and Building Superintendent Grimes discussed the matter.

It was estimated that, according to the original plans, \$60,000 will be necessary to finish off the interior of the building which is at present only a shell. Town Engineer James Keane estimates that 50 percent of this amount would go for materials. It is now expected that the School committee will insert an article in the warrant asking for approximately \$30,000 for these materials. If approved, the selectmen will then seek an ERA appropriation for the labor necessary.

Local Girl Scout Troop News Briefs

The moving picture, "Girl Scout Week-Ends," made by the Public Relations Committee of the National Girl Scouts Inc. will show at the Capitol theatre in Arlington the week of the twenty-eighth of January. All Scouts and their friends are urged to see it.

The Leaders' Association will have a supper meeting, Monday, Jan. 21, 6.30 p. m. at the home of Capt. Donahue.

Winter day camping will be held Saturday at Cedar Hill. Registrations must be made with the captains or at the local headquarters by this afternoon. Registration fee and money for the hot drinks must be paid at this time. Mrs. Dodge, Lieutenant of Troop 1 is in charge this week. The hostesses will be Troop 3 of Winchester. Cambridge Girl Scouts have challenged Medford Scouts to a game of snow-shoe baseball. Come and see the fun, and challenge another town for the next camping day.

Miss Unsworth, Director, was in charge of a sugaring off held at Cedar Hill, Wednesday. She is a native of Vermont, and knows, therefore, just how a sugar party should be run.

One hundred and six Girl Scouts went to Cedar Hill for the Winter Camping day in December.

Anyone wishing to make bows and arrows for archery in anticipation of an archery hunt in the spring should give their names in at headquarters.

The Drum and Bugle corps is meeting regularly, Thursdays, at 4 p. m. in the High School gymnasium.

A hobby workshop is being conducted at Cedar Hill, Monday evenings at 7.30 p. m. If you have no hobby, start one.

DANCE AT THE ACADIA
A dance of interest to Arlington dancers will be run at the Acadia ballroom Wednesday evening, February 6. The hall is located at 245 Huntington ave. The Wednesday Night club is sponsoring the dance and a number of Arlington people are on the committee. A "400" contest with beautiful trophies is one of the features of the evening with many other varieties. Music will be provided by T. Walsh and the Middy orchestra. Popular prices will prevail.

Mr. Stacey plans to finish at the Harvard Dental School, Miss Olive at Jackson, Miss McManus at Simmons, Mr. Bullard at Harvard, Miss Buckley at Wellesley, and Miss Sanby at an institution as yet undetermined.

On February 4, a new class will begin at the school and by studying through the summer will be able to catch up with the class that started last September.

LOEW'S STATE THEATRE

"David Copperfield," Metro-Goldwyn-Mayer's filmization of the Charles Dickens classic is the feature attraction at Loew's State theatre this week.

The cast reads like a Blue Book of the screen. W. C. Fields, plays Micawber, the improvident but lovable serio-comic character. Frank Lawton and Little Freddie Bartholomew divide the title role. Lionel Barrymore, Madge Evans, Maureen O'Sullivan, Edna May Oliver, Lewis Stone, Elizabeth Allan, Roland Young, Basil Rathbone, Elsa Lanchester, Jean Cadell, Jessie Ralph, Lenox Pawle, Perbert Mundin—these are but a few of the stars and featured players who portray "key" parts.

Supplementing this all-star feature attraction is a highly entertaining list of short subjects headed by the latest Mickey Mouse cartoon entitled "Two Gun Mickey," a Fitzpatrick Traveltalk "Ireland the Emerald Isle," presented entirely in technicolor and the latest issue of Hearst Metro-tone News.

Continuing in his 14th week as the guest organist is Arthur Martel, who offers another splendid program of organ melodies.

Monday evening the Phi Theta met at the home of Miss Barbara Hall, 39 Harlow st. Tuesday evening the Volunteer Circle met with Mrs. Wright 16 Wymann Terrace. On Thursday the Women's Missionary Society met at the home of Mrs. Wm. Gratto for a quilting party and luncheon. On Saturday evening the Paquinox Club will hold one of their famous bean suppers. All groups are from the Calvary Church.

Positions Change In Hoop League

BY BOB FOREST
The Arlington Amateur Basketball League gave the fans three thrilling games last Monday night. In the melee, the top favorite, the Rangers, were topped off their high horses by the St. James club in a game that went three periods with both teams equal in score. The tired Rangers folded up in the last period, and went individual to give the other club an easy chance to score. The final was 32 to 23.

The Bears larded it over the mighty Fabs with a brilliant victory after they had been down almost twelve points in the opening minutes of the game. Final score, 28 to 23. The Sylvanians went into the lead in the league by their win over the East Enders by the close score of 22 to 20.

League Standing

	Won	Lost
Sylvanians	3	0
Rangers	2	1
St. James	2	1
Bears	1	2
Fabs	1	2
Menotomy	0	3

Three more games will be played Monday night. Admission is still ten cents to spectators. If you don't get 'n cents' worth of excitement out of the games, then we are all wrong.

The games next Monday night are three of the best yet. The League-standings Sylvanians will find a tough opponent in the Rangers. The Rangers are out for top place and they intend to get it Monday night. A real battle should develop. The St. James team will also have tough sledding with the Fabs. The improved Bears will attempt to give the strong East Enders their fourth straight defeat.

THE GREAT POET WHO COULD NOT READ A LINE!

"Dispel this cloud...
restore the light of heaven...
give me to see"

The man who wrote these words is regarded as one of the greatest poets who ever lived—Homer, the blind bard of ancient Greece.

History does not tell how Homer lost his sight, but we do know how another great poet—Milton—lost his eyesight... Constant reading in poor light helped to make Milton blind.

GUARD YOUR SIGHT

Our purpose in repeating these facts of history is not to fill you with fear, but to

warn you against the common menace of defective vision. Defective vision is so commonplace that many accept it as normal. Seventy people in every hundred over fifty have defective vision.

IMPORTANT—If your sight is defective, if you suffer from "eye headaches," or similar symptoms, your eyes need more than better lighting. See an eye specialist.

LIGHTING FREE

POOR lighting is a common cause of defective vision. But how can you tell if your lighting is poor? The easiest and most certain way is to have one of our Home Lighting Specialists make a sightmeter survey of your home. You can have this survey made FREE by calling your Edison Shop.

SAVE YOUR SIGHT with BETTER LIGHT

Banner Month At Keith Memorial To Honor Late B. F. Keith

Starting Feb. 1st, the Keith Memorial will celebrate the 52d jubilee of B. F. Keith, for one whole month, as a tribute to the whole founder of American vaudeville. The theatre announces that no expense will be spared.

Fifty-two years ago and less than a stone's throw from the present Keith Memorial theatre, Benjamin Franklin Keith opened the doors of his unpretentious first vaudeville theatre; but this initial smallness and crudity of housing sheltered an idea and purpose which were to revolutionize the theatre and fundamentally lift it to hitherto unapproached levels of clean and inspiring entertainment. In short, B. F. Keith took the discredited and equivocal variety performance of a half century ago and transmitted it from a base metal into a noble and enduring one. Like all pioneers he had, in his beginning, those trials and handicaps which mark the birth-throes of any basic innovation; and, as becomes the true pioneer, he overmounted every obstacle and blazed first a path and then a great thoroughfare, that the whole dramatic world now travels.

The first program will feature Joe Penner, the Bowtell Sisters, the famous dance group, "The Twelve Apostles," and the celebrated Stan Kavanagh. Phil Baker, Mitzie Mayfair, Jack Whitting, the Diamond Boys and other stars are booked for the second week while the complete Casino de Paree show will be presented the third week. The fourth program is not yet set but unquestionably will embrace performers of nation-wide repute.

CENTRAL MARKET TO REOPEN

Following alterations made to the Central Market which has been closed for some time, this store will be re-opened next week, according to the management. This market, located on Broadway in the center of the city, will advertise its opening specials in next Friday's NEWS.

was later referred to by Mayor Mansfield of Boston, as "the best speech of the evening."

She paid tribute to Mrs. Daly, his loyal friend and wife, and closed her remarks with "God will be your guide in the future, as he has always been in the past, and you will make good." She then introduced the toastmaster, John M. Corcoran.

Glory Is Transient

The honored guest was the last to speak. He spoke briefly, clearly, yet forcefully. He stated that his heartfelt appreciation for the honor bestowed upon him by his friends, could not be put in language. "I cannot summon to my lips words sufficient or appropriate, but this occasion will remain in my heart for many years," he said. He stated he was proud to be a member of the Massachusetts senate, one of the greatest and oldest in the Republic, and the most sound. After jokingly stating "I finally seem to be elected to the Senate," referring to the recount and action of the former Senator, he said "the power of those who still think that the people should not be recognized is still a work in this district, and I will stand adamant, no matter what the consequences, on my convictions." He stated that the cause he has fought for and the principles he has stood for are more important to him than any personal victory he might achieve. He thanked the large gathering of representatives of the press present. The Boston Globe alone had 18 staff and district men. Three representatives of the Mercury were there, and each of the communities of the 6th Senatorial district had representatives in attendance.

He spoke on what he intended to do in the matter of rapid transit, improvement of the valley, reduction of taxes, etc. He stated he would endeavor to lift the barriers which have obstructed action, long delayed, for the common good, through legislation. He stated that although he appreciated the honor bestowed upon him he could not help but remember that glory is transient, and he quoted that Latin phrase, "Sic Transit Gloria Mundi," as passed the glory of the world. He said, in closing, "I know there is a Tomorrow."

AHS Wins As Fists Fly

BY BOB FOREST

Arlington High was far superior to Medford High in hockey last Saturday afternoon at the Garden, winning easily 3 to 0. That the score wasn't more than 3 to 0, which were scored in the opening period, we can't understand. The Arlington team must have shot a hundred times at the Medford goal while Sakonian and Coyne in the Red and Gray goal were hardly bothered. Arlington made a beautiful stop on a penalty shot that Jack Byrnes had incurred. Byrnes was by far the star of the game, taking as he was, two men's places with the injured Billy Collins being forced to retire. Bab Mee in the forward line shone out like a beacon and was impregnable.

Joe Gardella was having a hard day with the referee. He got the bad end of every decision. "Red" Preston was getting a mauling from some tough Medford players and Joe Gardella went over to give him a lift. Immediately the pugilistic attitude of Medford so common of late asserted itself and a fight was on. Another started in the penalty box which as far as we could see Joe Gardella had little to do with, as he was wedged between two seats on the floor and consequently was helpless.

Medford had two men off the ice most of the last period but although Arlington threw everything but the goals at the goalie they failed to slip one by. The referees were all mixed up in the closing minutes of play. Coach Charlie Downes attempted to have the Medford boy and Joe Gardella shake hands. Joe was willing but the Medford boy refused.

The summary:

ARLINGTON—Mee, Preston, Norberg, Gardella, c; Keefe, Chipman, lw; Collins, Lane, Mee, rd; Byrnes, ld; Sakonian, Coyne, g.

MEDFORD—Richardson, Stanley, lw; Muse, Cameron, c; Kenty, Lewis, rw; Campbell, ld; Cameron, Kenty, McGinnis, rd; Bergeron, Dolan, g.

Score, Arlington 3.

Goals, first period, Mee (unassisted) 6m 22s, Byrnes (Preston) 9m 23s, Gardella (unassisted) 9m 38s.

Penalties, Byrnes (interference), Kenty (pushing), Gardella (roughing), Kenty (tripping), Gardella (roughing), Stanley (roughing), Gardella (charging), Keefe (board check), Gardella (fighting, major), Lewis (fighting, major), Kenty (charging), Muse (tripping).

Referees, Mahoney and Keller. Time, three 12m periods.
